

Renovation D has been approved as a "Hettich Endorsed Showroom". All Hardware Fittings used in our cabinets are from Hettich. German Made Life Time Warranty, one of the leading hardware fitting supplier in the world. All front doors, drawers or end panels can be finish in Polyurethane Paint (also known as 2PAC), which has a base coat plus a second layer of Color Coat. Customer has the choice of choosing any colour in "DULUX" and any Finish "High Gloss, Semi Gloss or Matt"

All Polyurethane panel are made using 16mm thick Australian MDF (unless required otherwise), material supplied by LAMINEXT GROUP. All Polyurethane Door and Drawer Panels supplied are ready to assemble. Which means before paint, all MDF panels has already been installed once onto the carcass, and all the relevant holes on the carcass and polyurethane panels are ready for reassemble before install into your kitchen.
